WHY SHOULD YOU HIRE ME?

1

PROFICIENT IN ENGLISH AND FILIPINO

I have a good grasp of the grammar and syntax of both English and Filipino language. I can communicate fluently and write well in both languages.

2

PROVEN WRITING EXPERIENCE

I have an established experience writing for various platforms, including for an international travel company and a technology news platform with a global audience.

3

TECHNOLOGY ENTHUSIAST BY HEART

I embrace technology and its capability towards solving everyday problems. I am a tech-savvy person who quickly adapts to the latest tech trends. I am adept in using Windows, macOS, and even Linux.

4

CRITICAL THINKER AND FAST LEARNER

I love learning new stuff, especially if it really picks my interest. Overall, I pick up new things relatively fast. I am also a critical thinker, and I consider all the facts before deciding.

5

CONSCIENTIOUS

I am diligent and abide by deadlines when accomplishing a certain task. I prioritize quality over quantity, and I make sure that the quality of the tasks that I've accomplished are always top-notch.

6

TEAM PLAYER

I work well in groups. I share my best ideas to others if it means the successful completion of a certain task. And, I stand up and take responsibility when the situation needs it.

TRAININGS ATTENDED

**Understanding Javascript
and Node.js (Ground
Gurus)**
